Occasionally the pros get a chance to relax. Dr. Mulholland "catches his breath."

Professors are people too! They don't always wear coats and ties, and they have families! Golf is a favorite pastime for many faculty members, but when that isn't possible, miniature golf is a good substitute. Maurice is shown here taking the opportunity to teach his father, Dr. Harton the finer points of the putting game.

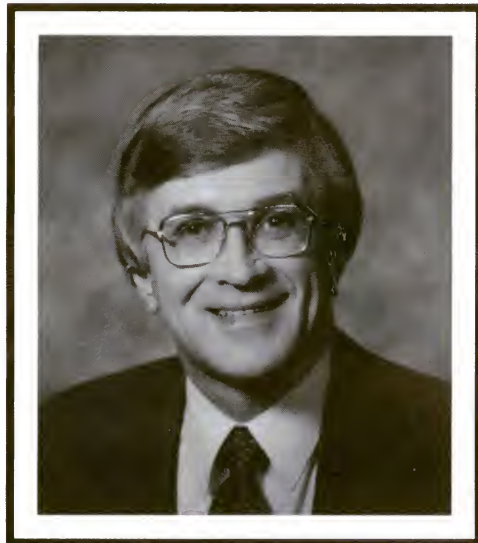

As Dr. Taylor attests, Hebrew can be fun, as long as it is accompanied by coca-cola!

Twas the Night Before Christmas . . . All dressed up with no where to go.

Now where did you say Dr. Sproule and Dr. Strickland were?

# ACTIVITIES

---

## *FALL RETREAT: WABANNA THE BEGINNING OF A NEW ADVENTURE*

---

Capital Bible Seminary places a premium on a quality family life. The Wabanna conclave provides just the right atmosphere to develop such familial ties.

Food is always a highlight at a retreat. Rich Hendershott cannot believe Dave Brunner ate the whole thing!

The retreat is punctuated with times of spiritual nourishment and instruction as well as an orientation to the inner workings of seminary life.

The real highlight of the kickoff retreat is the opportunity for students, faculty, staff and wives to enjoy friendly athletic competition. Activities such as football, swimming, and miniature golf help to pass the afternoon. Occasionally a student will take miniature golf *too* seriously!

The Fall Retreat affords student wives the opportunity to see the lighter side of faculty wives and provides a pleasant scenario for casual strolls.

# PICNICS: FOOD AND FUN!!!

Twice each school year the student council sponsors a family picnic featuring food and various recreational activities such as volleyball. Tug o' war, however, may be hazardous to your health.

**GREAT IS THE POWER OF THE**

A

# A COLOR

A single line of musical notation for the bass part of the song. It begins with a bass clef and a key signature of one flat (B-flat). The melody consists of several measures, each containing a pair of beamed eighth notes, creating a rhythmic pattern. The notes are mostly in the lower register of the bass staff.

## NEVER A DULL MOMENT!

Whether singing, visiting with the faculty office personnel, playing ping-pong or just goofing off; seminarians somehow manage to enjoy themselves.

---

# *FACULTY FIRESIDES*

---

Faculty firesides meet once each quarter during the school year at the home of our professors. They are always a highlight for good food, fun, games and a devotional thought as students, professors and wives interact on an informal level.

I thought she wasn't due 'til September??

It's only ping-pong!

---

# GLOBAL IMPACT MISSIONS CONFERENCE

---

Our annual missions conference takes up three days of our school year. Each student participates in four sessions each day; one of which is a joint session with WBC.

— our dean!

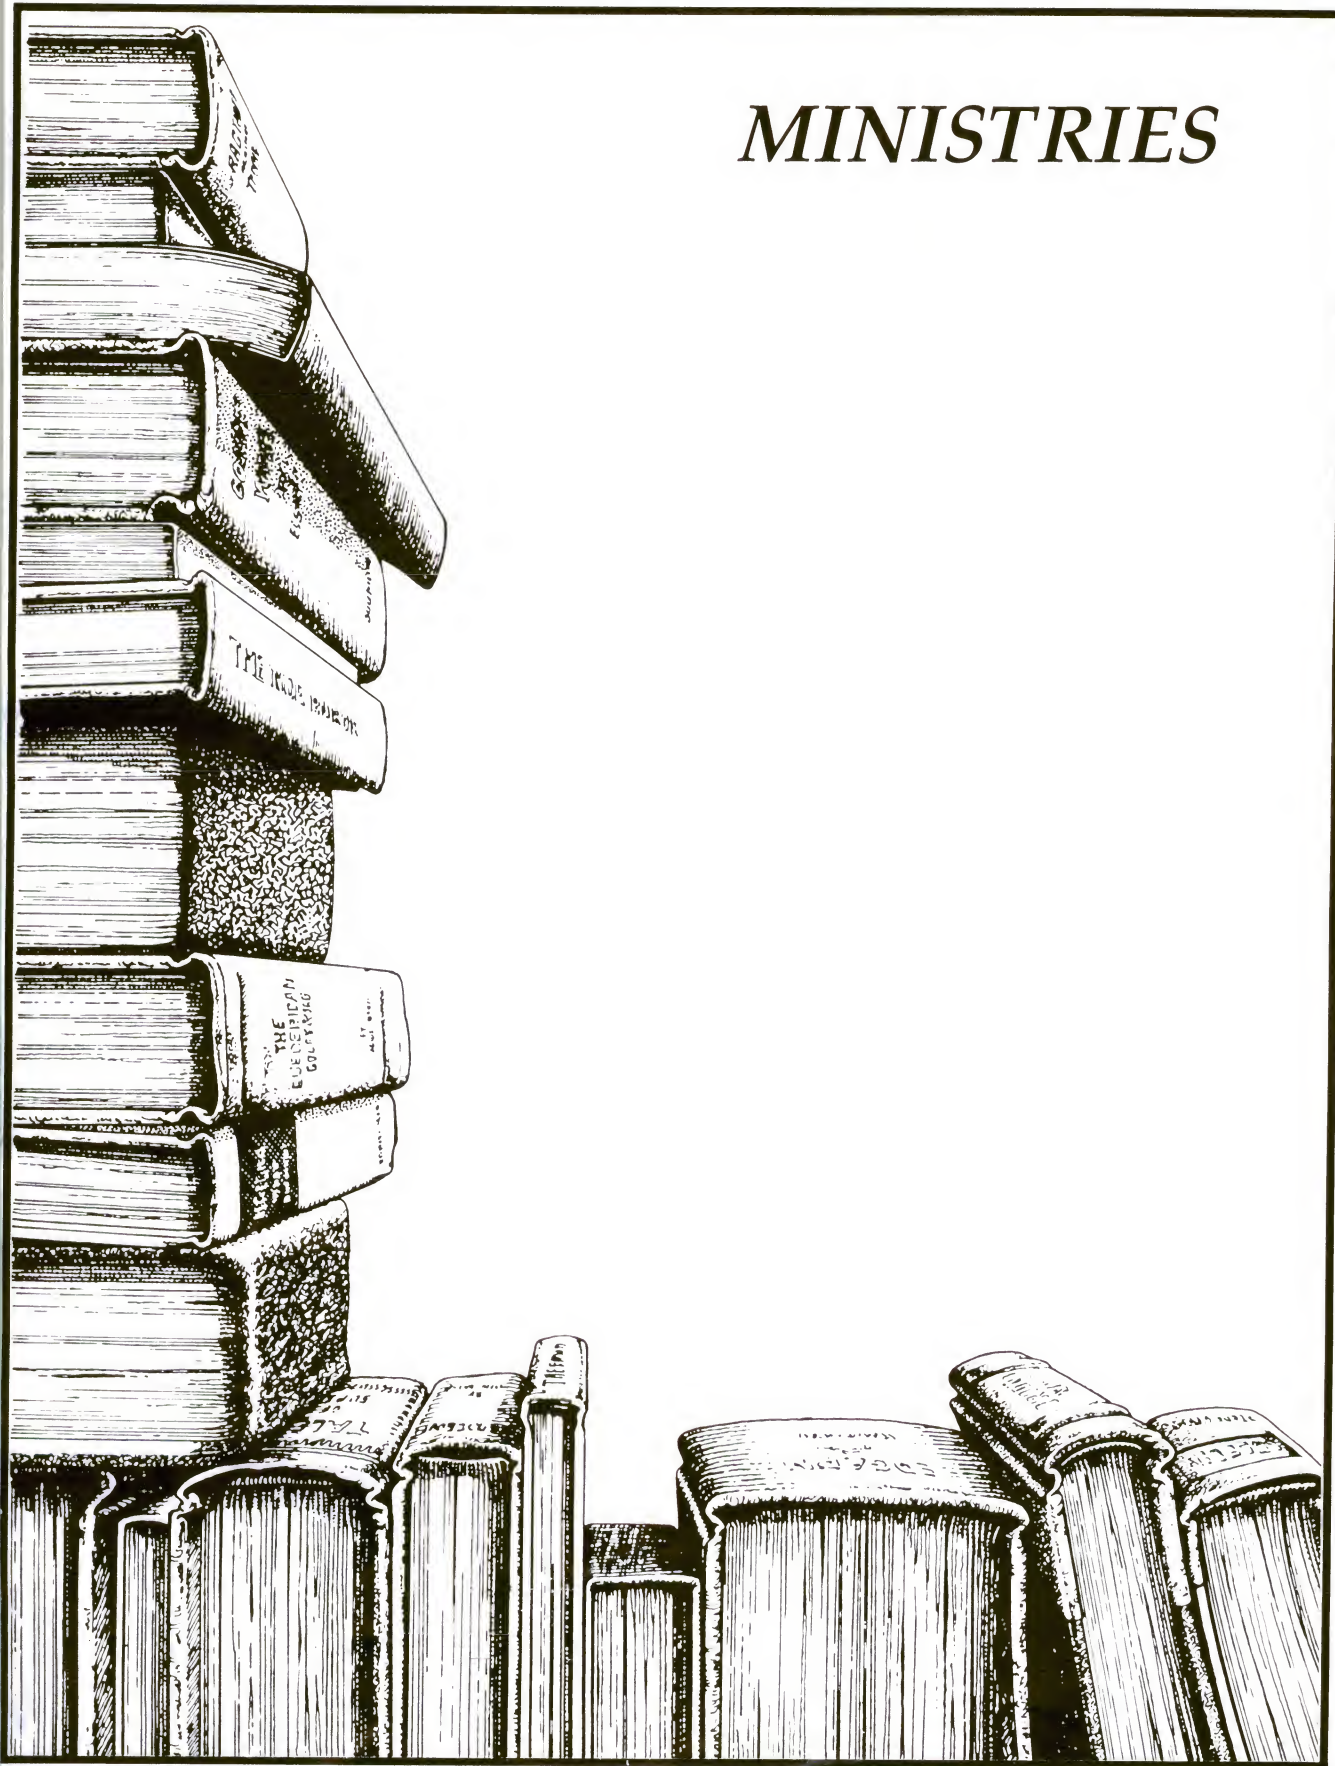

Panel discussion, personal interaction and perusal of mission boards

It is the desire of Bethel Korean Presbyterian Church to bring glory to God through the proclamation of His gospel to all the world. In accomplishing this desired goal, Bethel Church has:

1. Become a worldwide distributor of the Radio Bible Class' "Our Daily Bread" translated into Korean.
2. Established the Layman Bible Institute for the purpose of discipling the laymen to be better equipped for God's service.
3. Established the Center for World Missions to organize and coordinate all missions activity for Bethel Korean Church.

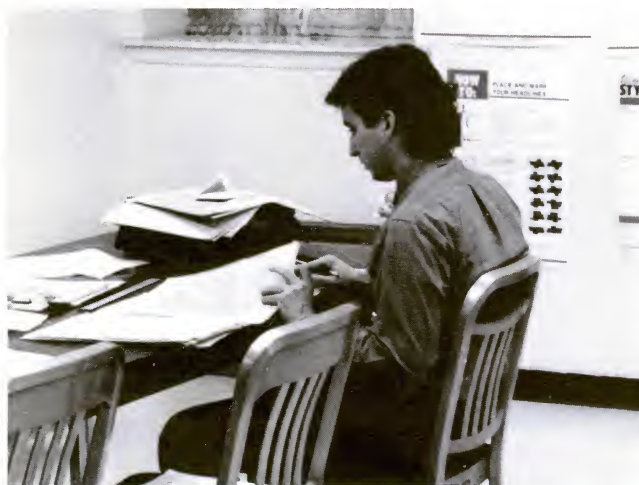

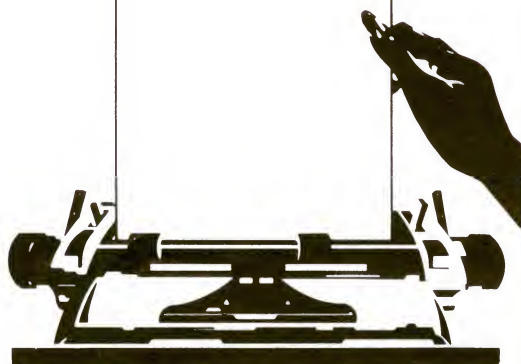

We at Bethel Church believe this generation has the potential to reach the world with the gospel of Jesus Christ. If you desire to visit or get involved in the unique ministry of working with second generation Koreans in accomplishing this goal, please contact:
